

CENTRAL ELECTRIC COOPERATIVE, INC.

P.O. BOX 846
REDMOND, OREGON 97756

RESIDENTIAL RATE SCHEDULE A

APPLICABLE

Applicable to domestic use of all residential customers. Service under the Residential Rate shall apply only to Single-phase electric service in a single-family house, separately metered single-family apartment, mobile homes and domestic farm use. Private dwellings in which space is occasionally used for the conduct of business by a person residing therein will be served under the Residential Rate. Where a portion of a dwelling is used regularly for the conduct of business, the electricity consumed in that portion so used, will be separately metered and billed under the General Service Rate. If separate circuits are not provided by the customer, the entire premises shall be classified as non-residential and billed accordingly. The Residential Rate shall not apply to service to institutions such as clubs, fraternities, orphanages, or nursing homes; recognized rooming or boarding houses; the space in an apartment or other residential buildings primarily devoted to use as an office or studio for professional or other gainful purposes.

TYPE OF SERVICE

Alternating current, single phase, 60 cycles at available secondary voltage. Service under this rate classification shall include single phase pumps for domestic use.
